

BALKAN CHILDREN CADET JUNIOR AND UNDER 21 YEARS

KARATE CHAMPIONSHIP

ÖREN/BALIKESIR-TURKEY

16-17-18 OCTOBER 2009

Ören is the Aegean beach town and it is in the border of Burhaniye, county of the Balıkesir in Turkiye.

Ören is a secret paradise with antique ADRAMYTTEION city, Rock Altars, nature, history, sea that is crowned with the Blue Flag, beaches with fine sand, sun, odd floor houses, plateaus for trekking, curing thermal spring water and the freshest air of Kazdaglari that contains plenty of oxygen. During old ages, this region was called as valley of 1001 winds.

The Yacht Marina, which holds around 250 yachts, gives tourists opportunities of all the attractions of the province who come to the surrounding by their yachts.

In this Aegean town, you can see the sink of the sun in the biggest yacht bay on Edremit Gulf and you can eat fresh fish, vegetable and fruit. It offers the best olive and olive oil of the world. If you want to live heaven on earth, you must come to Burhaniye Ören, Turkiye.

urhaniye Ören; the Site of Rock Altars and Thermal Springs, the port city of "Antique Adramytteion " is located between Pergamon , Troy and Assos in the Gulf of Edremit. Whether be a lover of nature, archaeology or history , you will experience a lot of joy far beyond than you expected. You will get to know the Rock Altars which have always been the best examples of "The Belief of Divine Nature and Abundance" since the Neolithic Age .You will spend your holiday in the healthiest climatic conditions (60 % per year , 50 % per summer months) even in the hottest months of summer with an ideal humidityrate in our province that is known as " Windy Hill " in mythology. Burhaniye-Ören, the Ecotourism Pearl of the Bay , offers the best olive and olive oil of the world, along with the curing thermal spring water and the freshest air of Kazdaglari that contains plenty of oxygen. The Yacht Marina, which holds around 250 yachts, gives tourists opportunities of all the attractions of the province who come to the surrounding by their yachts.

Daily Yacht Tours are organized to Assos, Cunda and the other islands around Ayvalik from Iskele (The Pier) during summer months. You will swim in the purest and the best sea of navy blue; you will view the best gulf; will cool off with the mildest wind; will drink the lightest water and will sunbathe in the best beaches. Burhaniye is a complete "Health Center" with the olive, the miracle of nature, with plenty of natural healing spring waters, and with its weather that contains the the most-dense oxygen rate of the world with a percentage of 22% right after the Alps. That's why it is considered the Oxygen Tent of the region. You will have the chance to cool off in the hottest months of summer in the high plateau villages and high plateaus that are around an altitude of 800-900 m on the slopes of the Madra Mountains; and will consume every kind of fruit and vegetable at its source which grow up in a natural setting as a whole.

THE SECRET PARADISE ÖREN :

Golden Sand Ören Beach, which has the shape of a bow of 1,5 km, is one of the most attractive beaches of Turkey with its width. Among our present day sea-side summer resorts of sea, sand and sun, it is one of the rare summer resorts which is til barren and untouched. Ören Beach with its cleanliness and natural beauty is crowned with the "Blue Flag" which is a sign of "Sea to Swim" in the whole world. Ören Beach, which is quite wide and has natural sand along the coastline, is ideal for national and international Beach Volley. The natural vegetation in Ören is under protection since it is considered a "Natural and Historical Site Area". The Ören Area deserves attention with monument trees – especially with the ones like-Cedar (Codrus Liboni), Stone Pine (Pinus Pinea) and Valonia Oak (Quercus Aegilops). You can meet squirrels jumping from a tree to another during your excursion in Ören.

Dutluca Village Mineral Sprigs : The mineral spring is 15-16 degrees Celsius and is useful to those suffering from urethra and kidney problems.

Karadere Asarkaya Spring Water : The spring water that is on the Slopes of the Asarkaya Rock and cures various skin diseases.

Bostanci Hot Springs : There are very modern facilities 10 km away from the Edremit in exit of Burhaniye. The bathing water, which is around 51 degrees Celsius, cures rheumatism , sciatica, lumbago and woman diseases.

Düdüklü Mineral Water : The hardness of the mineral water which comes from the plateau of Güzle of Karadere Village is 7 cc. This water is used at some fountains by the people and Municipality is planning to sell it in packed demijohns.
